1)

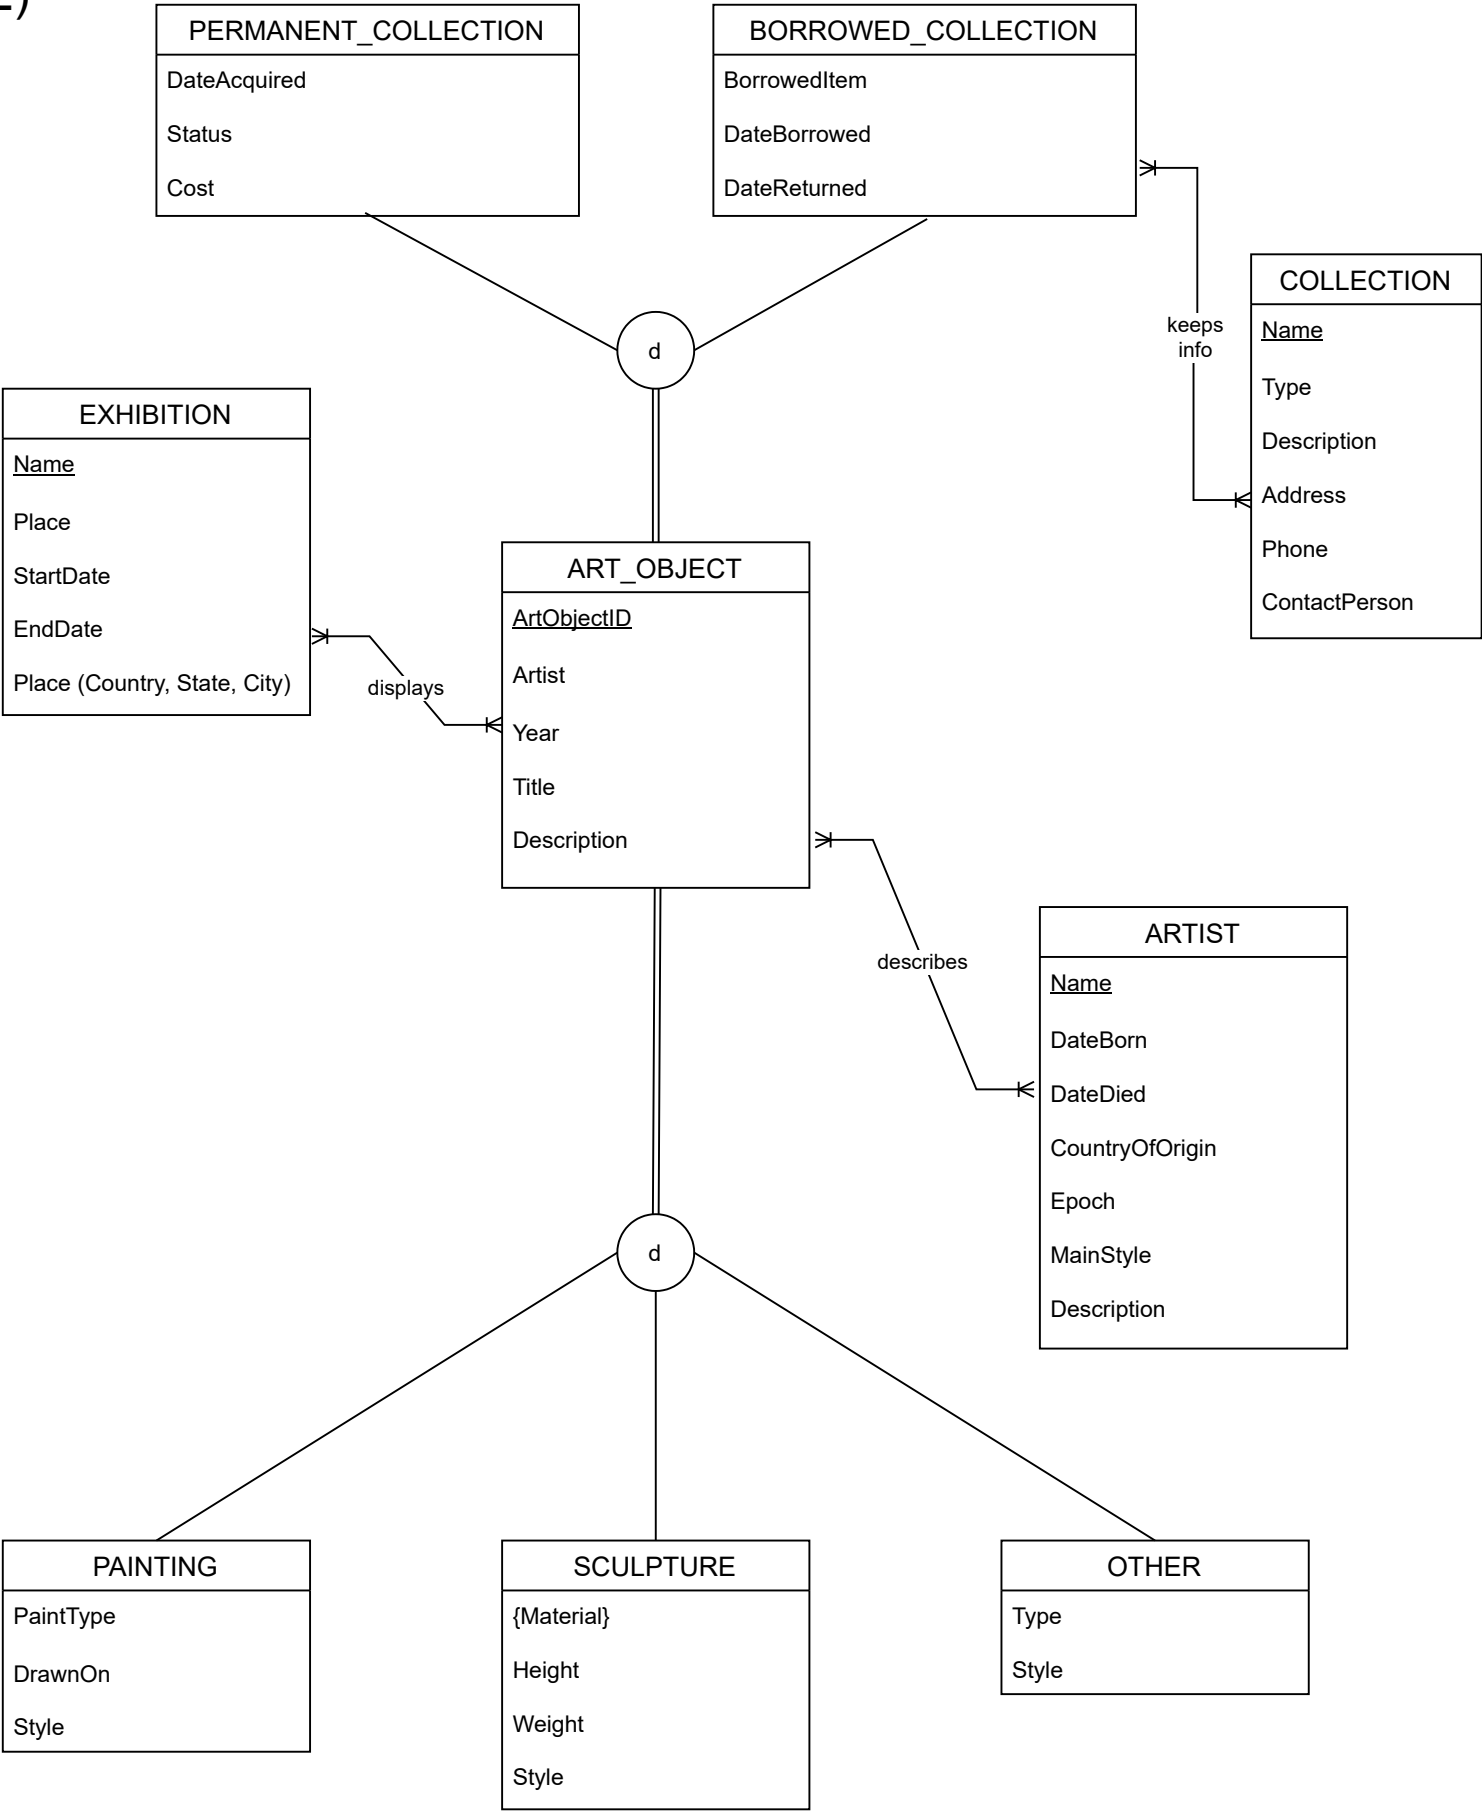

ASSUMPTION:

According to the "Professors can manage and/or work on multiple projects." sentence, both of manages and works relation has been set as optional many. Because that statement was not a completely clear statement at all.

Also in the "Departments have a professor who runs the department." statement, I assumed that the professor may be run many departments.

2)

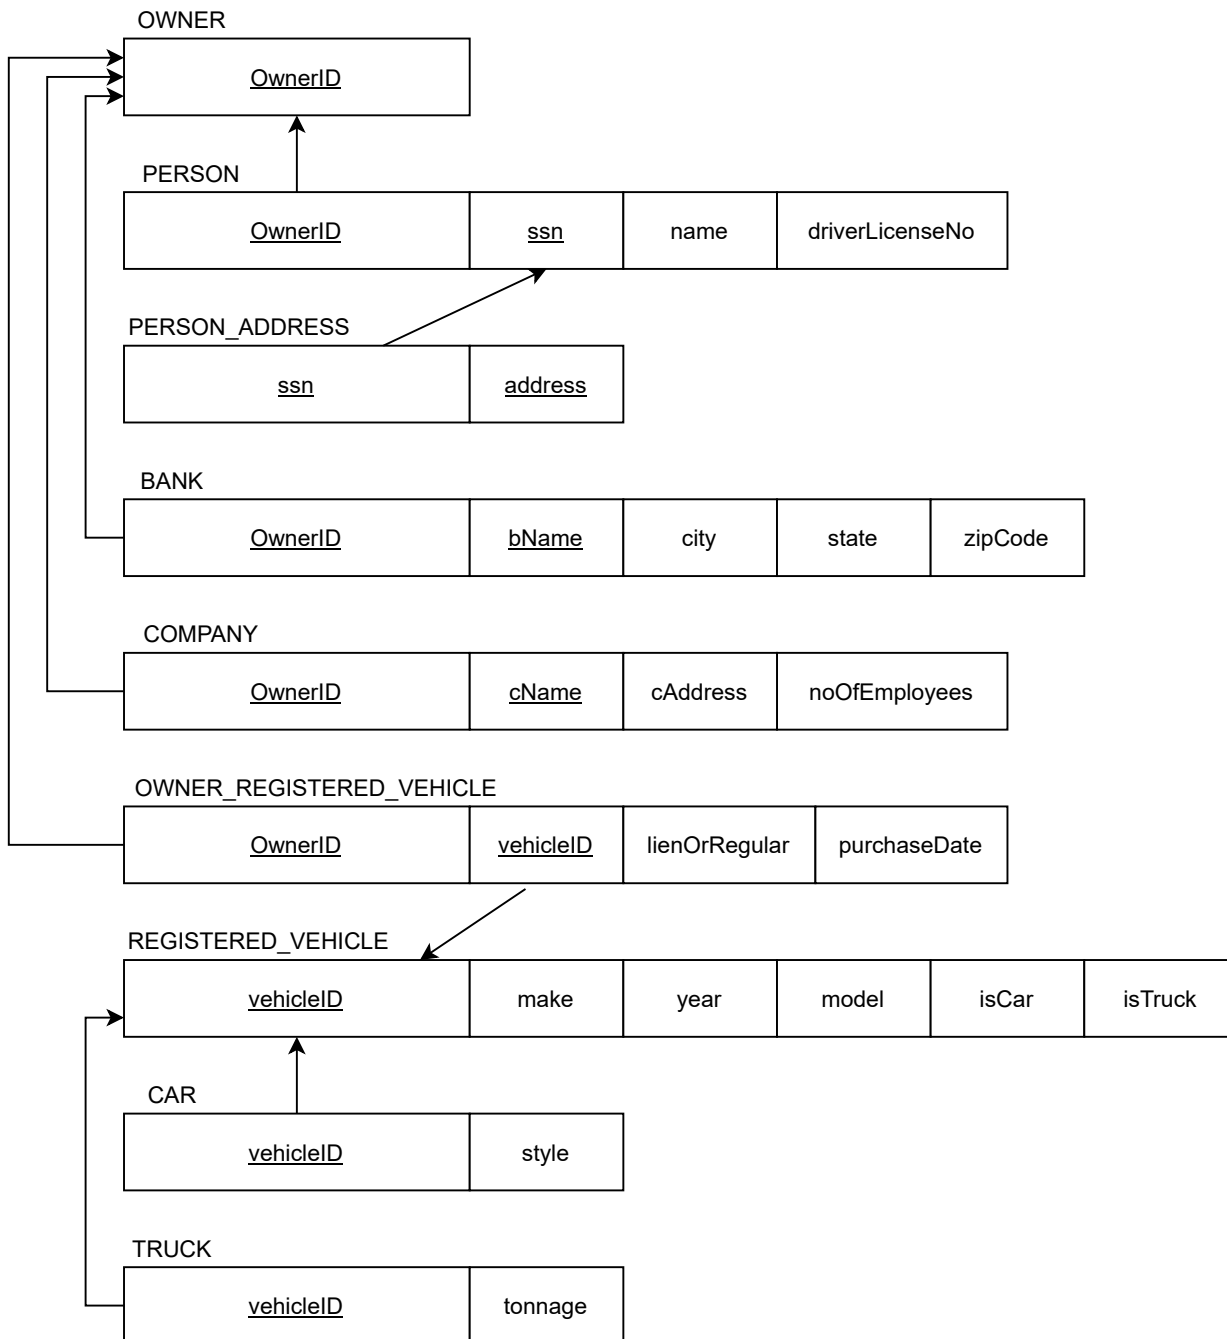

ASSUMPTION:

I thought that painting, sculpture and other should be disjoint. Because of the existence of other. Other, includes all of the other types than painting and sculpture. Art is for art, all of the branches of art which should not be mixed with each other is very valuable.

I assumed that a Year in art_object, DateBorn in artist were known.

I assumed that not living, so I considered DateDied.
